

Oversigt over AAU's uddannelser i alfabetisk rækkefølge efter dansk navn

A

Akustik og audioteknologi	Acoustics and Audio Technology
Anvendt filosofi	Applied Philosophy
Anvendt industriel elektronik	Applied Industrial Electronics
Arkitektur	Architecture
Arkitektur og design	Architecture and Design
Autonome systemer	Autonomous Systems
Avanceret effektelektronik	Advanced Power Electronics
Avanceret udvikling i socialt arbejde	Advanced Development in Social Work (Erasmus Mundus)

B

Biologi	Biology
Bioteknologi	Biotechnology
Business Administration (MBA)	Business Administration (MBA)
By, bolig og bosætning	City, Dwelling and Settlement
By-, energi- og miljøplanlægning	Urban, Energy and Environmental Planning
Bygge- og anlægskonstruktion	Structural and Civil Engineering
Byggeledelse	Management in the Building Industry
Byggeledelse og bygningsinformatik	Construction Management and Building Informatics
Byggeri og anlæg	Civil Engineering
Byggeri og anlæg; bygge- og anlægskonstruktion	Civil Engineering; Structural and Civil Engineering
Byggeri og anlæg; indeklima og energi	Civil Engineering; Indoor Environmental and Energy Engineering
Byggeri og anlæg; vand og miljø	Civil Engineering; Water and Environment
Byggeri og anlæg; veje og trafik	Civil Engineering; Transportation Engineering
Bygningers energidesign	Building Energy Design
Bygningsfysik	Building Physics
Bygningsinformatik	Building Informatics
Bæredygtig bioteknologi	Sustainable Biotechnology
Bæredygtig byudvikling	Sustainable Cities
Bæredygtig energiteknik	Sustainable Energy Engineering
Bæredygtigt design	Sustainable Design

Globale forretningssystemer	Global Business Engineering

H

HD 1. del	Graduate Certificate in Business Administration
HD 2. del	Graduate Diploma in Business Administration
Historie	History

I

Idræt	Sports Science
Idrætsteknologi	Sports Technology
IKT og læring (MIL)	ICT and Learning
Indeklima og energi	Indoor Environmental and Energy Engineering
Indlejrede softwaresystemer	Embedded Software Systems
Industrielt design	Industrial Design
Informatik	Informatics
Informations- og kommunikationsteknologier	Information and Communication Technologies
Informationsarkitektur	Information Architecture
Informationsforvaltning	Information Management
Informationsteknologi	Information Technology
Informationsteknologi, softwarekonstruktion	Information Technology, Software Development
Informationsvidenskab	Information Studies (Human Centered Informatics)
Innovation og digitalisering	Innovation and e-Government
Innovativ kommunikationsteknik og entrepreneurskab	Innovative Communication Technologies and Entrepreneurship
Intelligente pålidelige systemer	Intelligent Reliable Systems
Interaktionsdesign	Interaction Design
Interaktive digitale medier	Interactive Digital Media
International virksomhedskommunikation, engelsk	International Business Communication in English

International virksomhedskommunikation, spansk	International Business Communication in Spanish
International virksomhedskommunikation, tysk	International Business Communication in German
Internationale forhold	International Relations
IT, interaktionsdesign og multimedier	IT, Interaction Design and Multimedia
IT, kommunikations- og medieteknologi	IT, Communication and New Media
It, læring og organisatorisk omstilling	Information Technology, Specializing in ICT, Learning and Organizational Change
IT, organisation	IT, Organization
It-design og applikationsudvikling	IT Design and Application Development
It-ledelse	IT Management

J

Jura	Law
------	-----

K

Kemi	Chemistry
Kemi og bioteknologi	Chemical Engineering and Biotechnology
Kemiteknik	Chemical Engineering (Master)
Kemiteknologi	Chemical Engineering (Bachelor)
Klinisk videnskab og teknologi	Clinical Science and Technology
Kommunikation	Communication
Kommunikation og digitale medier	Communication and Digital Media
Kommunikationsteknologi	Communication Technology
Kriminologi	Criminology
Kultur, kommunikation og globalisering	Culture, Communication and Globalization
Kunst og teknologi	Art and Technology (ArT)

L

Landinspektørvidenskab	Surveying and Planning
Landinspektørvidenskab	Surveying, Planning and Land Management
Ledelse af digital kommunikation (Erasmus+)	Digital Communication Leadership (Erasmus+)
Ledelse og informatik i byggeriet	Construction Management and Informatics
Lyd- og musikteknologi	Sound and Music Computing
Lyd- og musikteknologi	Sound and Music Computing
Lysdesign	Lighting Design
Læreprocesser	Learning Processes
Læring og forandringsprocesser	Learning and Innovative Change

M

Maskin og produktion	Mechanical Engineering and Manufacturing
Maskinintelligens	Machine Intelligence
Maskinkonstruktion	Mechanical Design
Maskinteknik	Mechanical Engineering
Matematik	Mathematics
Matematik-teknologi	Mathematical Engineering
Matematik-økonomi	Mathematics-Economics
Materiale- og nanoteknologi	Materials and Nanotechnology
Materialeteknologi	Materials Technology
Media Arts Cultures	Media Arts Cultures
Medialogi	Medialogy
Medicin	Medicine
Medicin med industriel specialisering	Medicine with Industrial Specialisation
Medicinsk bioteknologi	Medical Biotechnology
Mekanik og produktion	Mechanical Engineering
Miljøteknologi	Environmental Engineering
Miljøvidenskab	Environmental Science
Musik	Music
Musikterapi	Music Therapy
Muskuloskeletal fysioterapi	Musculoskeletal Physiotherapy

N

Nanobioteknologi	Nanobiotechnology
Nanomaterialer og nanofysik	Nanomaterials and Nanophysics
Nanoteknologi	Nanotechnology
Netværk og distribuerede systemer	Networks and Distributed Systems

O

Offentlig administration	Public Administration
Offentlig ledelse	Public Governance
Olie- og gasteknologi	Oil and Gas Technology
Oplevelsesdesign	Information Technology, Experience Design
Organisatorisk coaching og læring	Learning and Organizational Coaching
Organisatorisk læring	Organizational Learning

P

Politik og administration	Public Administration
Problembaseret læring i ingeniør- og naturvidenskab	Problem Based Learning in Engineering and Science
Produkt- og designpsykologi	Engineering Psychology
Produktion	Production
Produktionsledelse	Management Engineering
Produktionsudvikling	Manufacturing and Operations Engineering
Psykologi	Psychology

R

Regulering og automation	Control and Automation
Revision	Business Economics and Auditing
Robotteknologi	Robotics

S

Samfundsfag	Social Science
Service system design	Service Systems Design
Sexologi	Sexology
Signalbehandling og akustik	Signal Processing and Acoustics
Signalbehandling og beregning	Signal Processing and Computing
Sikkerhed og risikostyring	Risk and Safety Management
Smertevidenskab og tværfaglig smertebehandling	Pain Science and Multidisciplinary Pain Management
Socialrådgiver	Bachelor's Degree Programme in Social Work
Socialt arbejde	Social Work
Sociologi	Sociology
Software	Software
Sprog og internationale studier, engelsk	Language and International Studies, English
Sprog og internationale studier, spansk	Language and International Studies, Spanish
Sprogundervisning, lingvistik og it	Language teaching, Linguistics and IT
Sundhedsinformatik	Health Informatics
Sundhedsteknologi	Biomedical Engineering and Informatics

T

Teknoantropologi	Techno-Anthropology
Teknologiledelse	Management of Technology (MMT)
Trådløse kommunikationssystemer	Wireless Communication Systems
Turisme	Tourism
Tysk	German

U

Udsatte børn og unge	Vulnerable Children and Young People
Universelt design og tilgængelighed	Universal Design and Accessibility
Urbant design	Urban Design

V

Vand og miljø	Water and Environmental Engineering
Veje og trafik	Transportation Engineering
Vidensbaseret socialt arbejde	Knowledge Based Social Work
Virksomhedssystemer	Operations and Supply Chain Management
Virksomhedsteknologi	Manufacturing Technology
Vision, grafik og interaktive systemer	Vision, Graphics and Interactive Systems
Værdikæder og innovationsledelse	Operations and Innovation Management
Værdikæder og teknisk ledelse	Operations and Management Engineering

Ø

Økonomi	Economics
